Guidance for filling out:

- Motions should be shown to the policy chair for guidance and submitted to the area secretary prior to the start of the ASC meeting.
- The motion number is assigned by the area secretary who keeps a log of motions.
- All motions must be seconded by a GSR, committee chair or member of the ASC admin.
- A policy motion is to add, remove or change area policy. It should clearly indicate the section and paragraph of policy to be changed, including the existing wording and the proposed replacement wording.
- Motion Reads – Motions should be clearly written, including who will be affected or responsible, and the impact on the area or NA as a whole. Please write legibly.
- Intent of Motion – Describe the reason behind the motion. Is it keeping with the principles of Step, Tradition or Concept? Does it more clearly define our area's position or application of NA guidelines or area policy? Keep in mind that many of the things we experience are already addressed in NA service literature.
- Financial impact – Is there a one time or ongoing cost and what is it?
- All policy motions or motions costing the area \$300 or more must go to the groups for a vote.

Motion Results - For Secretary's Use Only
